Dear Chris Blair,

Gas Safe Register renewal documents

Thank you for renewing with Gas Safe Register. You are now a fully enrolled Gas Safe registered business which entitles you to many benefits including:

- Increased business profile - on average we receive almost a million queries a year on the website from potential customers looking for gas engineers to carry out work – now you are registered you can ensure your business is one of them.
- Access to our team of experts, all experienced gas engineers like you, who are there to assist your decision making and provide advice – call our helpline on **0800 408 5577** or email **technical@gassaferegister.co.uk.**
- A complete online account where you can manage your registration, access Technical Bulletins, safety alerts and industry updates when it suits you.
- Quick and easy notification - you can now report work that is notifiable under Building Regulations and other gas appliances where notifications is not required but has been requested by your customer. A quick, cheap and easy 'added value' service to offer to your customers.
- A free monthly magazine filled with high-quality technical advice and updates. Also available as a tablet edition (iPad or Android) to help you access back issues when on the go.
- Local advice and support from a Gas Safe inspector. Gas Safe Register has a team of highly experienced inspectors, all gas engineers like you, to provide you with local advice and support.
- Exclusive use of the Gas Safe brand. More customer than ever now know, recognise and trust the Gas Safe Register name and brand and as a registered business you are entitled to use it on your vehicles, advertising and workwear. It's your brand, so make the most use of it.

Please find enclosed your registration certificate, licence card for each of your engineers and licence card holder(s). Remember to always show your card to your customers.

If you have any questions regarding your Gas Safe registration please call us on **0800 408 5577.** Alternatively email **enquiries@gassaferegister.co.uk.**
